Big Brothers Big Sisters®
OF CENTRAL OHIO

At **Big Brothers Big Sisters of Central Ohio**, our vision is that every child graduates with a plan for their future and a mentor for life. We are uniquely positioned to support kids in three distinct ways.

ONE-TO-ONE MENTORING
which builds relationships, provides youth access to experiences and a web of support.

STRENGTHENING THE FIELD
MENTOR CENTRAL OHIO

by offering training, capacity building, and support to mentoring organizations statewide.

DEVELOPING LEADERS
and fostering a love of our environment through a variety of group mentoring and outdoor experiences.

OUR PROGRAMS

COMMUNITY-BASED MENTORING
Community-based mentoring relationships involve one-on-one outings and activities, doing things the Big and Little enjoy together, like taking a walk in the park, going to a museum or listening to music. Some Bigs meet their Littles on the weekends. Others get together with their Littles on weekday evenings. Each relationship is unique and develops a schedule that works for them.

SCHOOL-BASED MENTORING
It may sound obvious, but sometimes the best place to help a child realize their potential is at school. Kids enjoy having their Bigs meet with them there, whether it's in the classroom or on the playground. Each school-based session takes place at the same time each week and is facilitated by a professional Big Brothers Big Sisters staff member.

BIG FUTURES
In Big Futures, we provide support and resources to high school Littles as they work towards graduation. Big Brothers Big Sisters of Central Ohio partners with community businesses and organizations to promote career and college readiness for Littles and their families as they explore post-graduation opportunities.

HISPANIC MENTORING
Hispanic Mentoring provides Latino children with a caring Big Brother or Big Sister who can enrich their lives culturally, socially and academically, and support them reaching their potential through one-to-one mentorship.
